Judo Girls Night is all about the judo girl family:
designed by girls, for girls, and starring...the girls!

Judo is awesome, and we want girls to have fun, learn, practice and compete in a relaxed, supportive environment. Since girls in various clubs often have few girls their own age or size to practice with, this is an ideal opportunity for them to have a more full judo experience. We also encourage girls who want to try judo to come enjoy the fun and become part of the judo girl family.

We'll end the night with a party starting around 7:30 for the girls to chill out, get to know each other, and have some fun – games, prizes, snacks provided!

Bring your gi – if you're new to judo, just wear something comfortable.
